OMNIBUS SURVEY:

If you are looking for prompt and reliable answers, we have a ready-made solution for you!

- A social and market survey that meets the needs of a range of government, academic, not-for-profit and business clients very cost-effectively.
- Each monthly wave involves telephone interviews with a fresh, reliable sample of 1,000 people, representative of the 18+ years Canberra community in terms of gender, age and location.
- Questions are analysed by relevant socio-demographics and by region and compiled into a succinct tabular report. We offer personal presentation and discussion of findings for a modest additional fee.
- Both once-off and ongoing series of questions are welcome.
- The survey is conducted monthly and costs range from as low as \$950 per question (+ GST). Minimum 5 questions.
- The survey can be expanded to cover the ACT and region – ie, cover all of Canberra, plus, if you wish, surrounding centres including Queanbeyan, Jerrabomberra, Yass, Bungendore, Braidwood and Captains Flat and many rural-residential communities and villages in between.
- We are a full-service market, social and communications research company, so we are also very interested in helping you with your other research and evaluation needs.
